REMARKS

Applicants would like to thank the Examiner for the courtesies extended during the telephone conference on May 28, 2007. The Applicants pointed out to the Examiner that original Claims 1-24 were examined for the present Office Action instead of new Claims 25-60 included in a Preliminary Amendment filed along with the application. Claims 1-24 were cancelled in the Preliminary Amendment. Accordingly, Applicants are unable to substantially respond regarding the merits of the current rejections.

Respectfully submitted,

---
